Data Analyst / Billing Systems Analyst

SUMMARY

Data professional with 2+ years in billing systems ETL and process automation, specializing in AI-directed tooling development. Independently designed and deployed a suite of automation tools and a project-tracking dashboard that replaced undocumented manual processes with no prior documentation. This work drove adoption of agentic AI coding tools beyond my own team. Background includes a decade running an independent business and six years as a U.S. Army National Guard veteran.

SKILLS

Programming & AI-Assisted Development: Agentic AI coding tools (Kiro, Claude, GPT), prompt-driven automation development

Databases & Billing Systems: SQL, Snowflake, CSG Product Configurator, CCS

Analytics: Excel, Data Cleaning

Professional: Process Documentation & SOP Creation, Cross-Functional Collaboration, Process Optimization

EXPERIENCE

Billing Solutions Analyst | Charter Communications | Maryland Heights, MO | Nov 2023 – Present

- Identified and lobbied for team access to an agentic AI coding tool; adoption subsequently spread to other teams on the floor after demonstrating results
- Independently designed and directed the build of a suite of 4–6 Python-based automation tools using AI-assisted development, eliminating manual steps in a previously undocumented billing process
- Built and maintain a project-tracking dashboard from scratch to manage in-flight work, replacing a process that had existed only in a senior colleague's head with no written SOPs
- Authored first-ever process documentation and SOPs for the workflow, reducing reliance on a single point of knowledge failure
- Configure and update billing systems using CSG Product Configurator; manage datasets in Snowflake; use CCS for legacy database interactions
- Execute and adapt SQL queries to extract and transform billing data, in support of system updates and field operations
- Conduct peer reviews to ensure accuracy and standards alignment under production deadlines

Painting Business Owner | Ingrassia Painting Services | Saint Louis, MO | Sep 2014 – Nov 2023

- Independently operated all aspects of a residential painting business — sales, marketing, bookkeeping, production, logistics
- Built a client base generating 95% of new business through word-of-mouth referral, reflecting sustained service quality and relationship management

Infantryman & Combat Medic | Missouri Army National Guard | Saint Louis, MO | Apr 2009 – Apr 2017

- Served in infantry and combat medic roles, delivering medical care and maintaining unit readiness during routine and training operations; honorably discharged after six years of service

EDUCATION

Lindenwood University — B.A. | Saint Charles, MO | May 2011

CareerFoundry — Data Analytics Certificate | Sep 2023
